## aspen featuring nero

Minimalist, crisp and contemporary. Aspen paired with Nero's monochrome styling will enhance any city dwelling with its up-to-the-minute gleaming gloss white door frontals, complemented by sleek Nero doors. The ultra modern lines are further enhanced with a contrasting worktop and brilliantly finished with large yet sleek chunky steel effect bar handles.

### stylish curves...

Add the latest twist to the high gloss appeal of Aspen with our new range of beautifully crafted curved units. Also available in Nero and Juno ranges.

## juno featuring cebra

The epitome of city living sophistication. Cutting edge design meets classy continental kitchen styling. The high gloss cream of Juno contrasts stunningly with sultry Cebra. Sleek Strass Noir worktops and sloping square drop handles add the finishing touches to this supremely fashionable kitchen, and the stylish softwood folding doors are painted black to complement the dark hues of Cebra frontals.

handle with care...

The sleek door line and torpedo shaped handles add to this elegant and ultra-modern look.

## boston

Boston's deep pan drawers and glazed top boxes add style and distinction to any kitchen, further enhanced by stainless steel look handles which follow the contemporary contours of the mellow oak effect gullwing fascias. This is complemented by the choice of a 5 panel v-groove internal door, see page 129 for details.

## aurora featuring silica

Simply stylish. That's Aurora with clean lines, warm beech effect and dark worktops. The stylish appliances and accessories add to the modern appeal. A kitchen that will work in a variety of settings, bringing those distinguished finishing touches that make the difference between a house and a home.

# milton

Modern and sleek lines give an abundance of style to this kitchen range. Milton effortlessly achieves a cool and contemporary look, yet the light cherry colouring also conveys warmth and a welcoming feel. Perfectly complemented by minimalist handles and simple, stylish accessories, Milton introduces a fresh new look to your kitchen.

## exciting lighting...

Cunningly positioned spotlights and thoughtful details such as an integrated wine rack add an extra touch of individuality to Milton's sleek, stylish ambience.

NEW

## strata white

The crisp white doors of Strata White have a contemporary soft sheen finish, creating a sophisticated kitchen that is also wonderfully practical and easy to live with. Over-sized strap handles, stainless steel appliances and tambour storage units complement the sharp slab styling, with rustic oak laminate flooring for a beautifully warm contrast.

### finishing touches...

Rustic oak laminate flooring gives a beautiful warm contrast to Strata White. The stylish tambour unit shown above is ideal storage for confined spaces, with its useful 'roller shutter door'.
